

Dishwasher Rebate Application

Member Name: _____ Member Number: _____
 Service Address: _____ Phone Number: _____
 Mailing Address: _____ Email: _____
 City/State/Zip: _____

Replacing a dishwasher in your home can be a smart investment. Any Energy Star certified dishwasher purchased in the last 60 days and installed in a home served by Park Electric will qualify for the following rebate.
 Park Electric recommends using the timer feature on your new dishwasher to allow it to run at times when other appliances are not using electricity. This can help manage the demand charge on your monthly bill.
 Please fill out the application and return it to Park Electric with a copy of the sales receipt.

Qualifying ENERGY STAR Dishwasher (\$50 bill credit rebate):

Model #: _____ Manufacturer: _____

Water Heater Type: Gas Electric

ACKNOWLEDGMENT

By signing this, you certify that the dishwasher was installed in Park Electric's service territory at the address listed above and it shall remain at the service location for the life of the appliance.

I hereby grant Park Electric Cooperative or its agents the right to inspect the appliance. I acknowledge that Park Electric is in no way responsible for the replacement or repair of the appliance.
